

# A Note of Thanks

Dear friends,

If you are like me, this is by far the most *interesting* of all Thanksgiving seasons. Our well established and comfortable traditions are upended, and we are called to serve one another in less than familiar ways. This has been a time of great growth, often at great cost.

The same is true for Safe Place Ministries.

Last year we chose to forgo our annual giving campaign and instead express our gratitude to you! Little did we know this year our thankfulness would go even deeper.

I am filled with awe at the multitude of ways God has poured out his blessing on Safe Place. Despite having to table our annual fundraiser due to COVID 19, throughout these months, with your support, we continue to creatively walk alongside those who need us.

While maintaining safe social distances, we have met with clients in the park, held phone and facetime appointments, and incorporated various other ways of remaining open and available. It has been stretching and humbling to say the least, (think my cat jumping on the kitchen counter behind me during a Zoom meeting!) but nevertheless, the work goes on!

God continues to affirm His hand on this ministry and regardless of the challenges, we are called to simply do the next right thing to offer hope and healing.

These are extraordinary times. Thank you for standing with us.

With a grateful heart,

Kapri  
Executive Director

PARTNER WITH US  
IN THE REBUILDING  
OF LIVES

# About Us

Safe Place Ministries exists to provide education, resources, support, and services to individuals, care providers, and churches whose lives and ministries have been touched by domestic abuse, childhood sexual abuse, or sexual assault.

## Our Goal

As we look toward 2021, Safe Place affirms its desire to empower women to rebuild their lives and reclaim strength and dignity. We provide practical and spiritual counsel, education, training, and services tailored to individual needs. This Thanksgiving, our goal is to raise \$5,000 toward the tools that will provide our clients with growth, healing, and wholeness. Would you consider making a gift of \$25, \$50, or \$100 to partner with us in the rebuilding of lives.

## How To Give

One time or recurring donations by mail to 723 N. Mitchell St. Suite 101, Boise, ID 83704 or online at [safeplaceministries.com](http://safeplaceministries.com). All donations to Safe Place are tax deductible.
